

# VITOUR

PERFORMANCE TIRES

**VITOUR<sup>®</sup>**

**SEMI-SLICK TIRES**  
**TEMPESTA P1**

Engineered for medium to long sessions track day, time attack, and competition use. The Tempesta P1 (P-01R compound) extreme summer tyre is made to compete in 200TW category and homologated for road use.

### Competition compound

Designed for fast and consistent lap times during long track sessions

### Extra-wide shoulder

Provides structure stability under extreme cornering and maintains wide contact path

### Water Razor technology

Unique-shaped anti-hydroplaning sipes provide sufficient wet performance

### Reinforced sidewall

Highly precise steering response and lower heat generation

### Heat management grooves

Dissipates heat keeping the temperature stable across the entire tyre

# TEMPESTA P1
