

BULLETIN No 2 to Supplementary Regulations

EXHAUST MUFFLERS

Due to the strict noise restrictions in Porsche Ring, it is allowed to use exhaust mufflers outside of the bodywork perimeter but keeping them in the rear or on the side of the car, behind the front wheel, as an exception to BaTCC, NEA and HEC racing series Technical Regulations.

Noise regulations of Porsche Ring can be found here: <https://www.audruring.ee/track-info/noise-regulation>
